

Pleasure Beach Members,

This letter serves as official notice of a Special Meeting of the Waterford Association Inc. to be held on Saturday, November 20th, 2021 @ 11:00am. The meeting will be held on the 2nd floor of the Goshen Fire Department. The slightly later time is to allow for members who may want to venture down from out of town. A Zoom broadcast will also be available with no promise on quality or connection. Voting will take place electronically leading up to the meeting, via proxy form, and in-person at the meeting on the 20th.

The purpose of the meeting is to allow the membership to vote to approve an amended budget for FY2021. This is required with our new bylaws if any budget item changes by more than 10%. The amended budget and updated balance sheet have been posted to the website.

There are no planned info sessions but questions submitted prior to Sunday, November 14th @ 10pm will be answered by Tuesday, November 16th at noon when electronic voting goes live. This FAQ will also be posted to the Pleasure Beach website. Please send your questions and comments to treasurer@pleasurebeach.org.

Respectfully submitted,

Charlie Benzyk

President, WAI
