

Greetings, WAI Members,

We are excited to share with you the proposed amendments to Article II - Membership of the Bylaws. Please find and review the attached copy of the draft before our virtual Membership Info Session next Tuesday, November 2, 7:30-8:30 pm. A zoom link will be sent to you prior to the meeting.

An outline of the proposed amendments is below:

Proposed Revisions affecting WAI membership

Membership Types

There will be two types of Member – Primary Members and Household Members.

Primary Members:

- must be record owners of real estate in Pleasure Beach
- have one vote on each member matter submitted for a vote
- are responsible for payment of all assessments, dues and fees
- must be in good standing to vote
- must list all “Household Members” on annual membership application
- may purchase additional badges and day passes

Household Members:

- are “Family Members” of the Primary Member or another Household Member, and are listed on the Primary Member’s annual application
- do not pay assessments, dues or fees
- may not purchase additional badges or day passes
- do not vote on Member matters

Officer eligibility

All Members over the age of 18 may serve as Officers

No Membership Transfer/ Limited Membership Continuity

No Membership may be transferred.

Except in situations where (i) there is more than one Primary Member, or (ii) an existing Household Member inherits the “Household” from the Primary Member, all membership terminates upon the death or resignation of the Primary Member. Inherit for these purposes means obtaining record title to the Household by will or the laws of intestacy (when there is no will).

We look forward to your participation in the upcoming meeting.

Bylaws Committee,

Susan Benzyk, Sarak King, Pat King and Cathy Robbins
