Methods of Voting

Electronic Voting - Electronic voting will be open to all eligible households prior to the meeting and will close 24 hours prior to the respective meeting. Electronic voting will be secured using an email collector powered by Survey Monkey that only allows one response per *registered email address*. If you want to confirm or amend your registered email address please contact: board@pleasurebeachct.org. Households who choose to vote electronically will not be eligible to vote via proxy or in-person at the meeting. Electronic voting results will only be visible to the Recording Secretary as required by our bylaws.

Directed Proxy - Members can download and fill out a directed proxy form from the [Pleasure Beach Website](#). Directed proxies allow a third party to enter your vote, but do not allow them to choose how your vote is cast. You vote FOR or AGAINST; YES or NO. Directed proxies must be turned in prior to the respective meeting.

Undirected Proxy - Members can also download and fill out an undirected proxy form on the website. This form allows a third party to vote on the member's behalf AND choose how that vote is cast. Undirected proxies must be turned in prior to the respective meeting.

In-Person - As always, in-person voting will be allowed at the April 24th meetings. Members who did not vote electronically or via proxy will be provided a paper ballot. This ballot can be cast at any time during and up to the conclusion of the respective meeting.
